

*You can help make a dying child's last wish come true.*

*We have been forever changed by our experience at Give Kids The World. You have reminded us that every effort made in love to another person strengthens the whole human race. Thanks to each of you at the Village for every smile, every touch of magic we felt from your hands. Your generosity has made us feel more welcome in the world.*

THE W. FAMILY, MN

*We never talked with our son about his cancer once we got to the Village ... we never again talked about the difficult times ahead... we just enjoyed life and took each day as it was. Our brief escape at your Village was a gift beyond comprehension.*
